

Questionnaire for police/peace officers!

Date

What is your name?

What is your duty as an RCMP?

What is your duty as a father/mother?

Would you say it is your responsibility to arrest criminals when they are caught in a crime?

I took the liberty to look up on the RCMP recruiting website: I was curious to see what was involved in becoming a police officer, and what an RCMP officer's role is in maintaining a healthy and well-adjusted society. The link to the official website for people looking at a career as an RCMP member:

<http://www.rcmp-grc.gc.ca/en/police-officer-careers>

Now that I am equipped with this information I have decided to report that I am a victim of many crimes.

According to your Oath of Office, are you obligated to reply honestly to my questions and tell me the whole truth?

*"This is for Public Servants when they are making a false claim. Any non-disclosure/omission of the relevant facts will be intentional deceit and will make them liable for damages. Your evidence can include a video, a voice recording, and/or a first-hand witness."*

Can I invoke you as a peace officer?

Did you know that there is a video on the RCMP recruiting website that states;

"As an RCMP police officer, you will help ensure public safety and security, investigate crimes and enforce the law". It went on to say that the RCMP have been "keeping us safe since 1873".

Have the RCMP been keeping the public safe since 1873?

Have you read the Recruiting site?

Did you know that it says?

I have asked a member of the RCMP if they took an oath of office?

Questions I asked this police officer:

Is rape a crime?

Is murder a crime?

Is thievery a crime?

Is poisoning a crime?

Is conspiracy to do harm a crime?

How about embezzlement ,is this a crime?

How about entrapment, is this a crime?

Is fraud a crime?

Does it matter what an individual social status is when it comes to committing crimes and breaking the law?

When you take your oath of office are you aware you are taking an oath binding your soul to Satan?

The following document will reveal the truth of this.

Are you aware that Canada is a Constitutional Christian Monarch?

Do you know what this means?

Did you know that the Queen during her coronation takes an oath to uphold God's Laws?

When you take the oath do you pledge allegiance to the "CROWN"?

Do you know what the "CROWN" is?

Papa Tiara

Do you know the true powers behind it?

- a. The Crown of Ba'al, also known as the Papal Tiara and Triregnum is a three-tiered jeweled papal crown and symbol of claimed papal supremacy since the 16th Century. Since the 16th Century, it has featured prominently as part of the coat of arms of the Vatican, usually with the crossed keys of claims of authority from St Peter.

The picture below depicts the power behind the powerful. The world is run by the spiritually corrupt that know how to invoke the spirits in the Astral realm for favors. They have sold out for the 'illusion' of power. "They know not what they do". The spirits in the Astral realm are just as dysfunctional as they indiscriminately grant favors to whom ever calls on them. It does not matter if you are a diabolical narcissistic psychopath driven by the illusion of power These individual that do this have bound their spirit and are attempting to do the same for the rest of mankind. They have suppressed the evolution of consciousness, the soul, thus the evolution of life.

So you pledged allegiance to the “crown” without knowing what it actually represents?

Matthew 5:34-5:35

33"Again, you have heard that the ancients were told, 'YOU SHALL NOT MAKE FALSE VOWS, BUT SHALL FULFILL YOUR VOWS TO THE LORD.' 34"But I say to you, make no oath at all, either by heaven, for it is the throne of God, 35or by the earth, for it is the footstool of His feet, or by Jerusalem, for it is THE CITY OF THE GREAT KING....

Is it not our divine right to live in happiness?

John 8:32

32:So Jesus was saying to those Jews who had believed Him, "If you continue in My word, then you are truly disciples of Mine; 32and you will know the truth, and the truth will make you free."

Perhaps Suzette Haden Elgin said it best in Peacetalk 101:

“I want a society where a parent would react to seeing violence being portrayed on a tv screen with the same repulsion as he/she would to seeing defecation being portrayed on a tv screen--where the programme would be turned off instantly, without hesitation, not as censorship but out of genuine deep revulsion. I want a society in which someone who finds violence interesting and desirable is considered mentally ill and in need of medical treatment”. An infection can fester unnoticed and left unattended it can explode into a system pandemic.

Did you know these crimes are being committed with the support of the RCMP by our politicians and the banking industry? Did you know you are putting me in danger, yourself, and your own children’s future in danger?

I found the following alternative media sites and found the following read most enlightening. Perhaps, it will help to shed light on why we are degrading as a society. The ones in a position to protect and serve need to look at the world they are allowing to be made manifest. The economic, and social, degradation has been on the agenda for a very very long time. Complacency and compliance by many good people has allowed for the current state of our Nation and our world.

Paul W Kincaid wrote the following

“Is Canada a democracy? Is the United States of America a democracy? Most people, when faced with these questions, would answer “Yes!” to both. After all, both countries hold free elections, are respectful of human rights and uphold many civil liberties that are codified in documents such as the Bill of Rights or the Charter of Rights and Freedoms.

However the correct answer for both questions is “No”. Canada is not a democracy it is a Constitutional Monarchy a.k.a martial law – law administered by the military authority of a government. The highest ranking official in the Canadian government is not elected. That person isn’t even a Canadian (residing in or born in), but rather a foreign monarch. This foreign monarch has ruled Canada under martial law (military authority) since 1882.

“Martial law is imposed when a government’s military personnel have the authority to make and enforce civil and criminal laws. Certain civil liberties may be suspended, such as the right to be free from unreasonable searches and seizures, freedom of association, and freedom of movement. And the writ of Habeas Corpus may be suspended (this writ allows persons who are unlawfully imprisoned to gain freedom through a court proceeding). Martial is defined as “of, relating to, or suggestive of war; warlike. Relating to or connected with the armed forces or the profession of arms or military life.

In Canada the monarch’s martial law enforcing personnel are the RCMP – Royal Canadian Mounted Police – a military force for Anglo-Saxon (German) Queen Elizabeth II. The official dress uniform of the RCMP is the same official uniform of the British military – the red coat. The name Royal in RCMP clearly tells us that they are recruited, employed and instructed to enforce martial laws made by, or under, the authority of the Queen throughout Canada. They are the Royal’s mounted martial law police. Mounted describes a military’s cavalry – mounted infantry forces. So the RCMP is the mounted infantry forces for the German (House of Saxe-Coburg and Gotha) monarchy (martial law) of Canada.

When an RCMP constable is sworn in, he or she takes a three part oath. The following is the oath I, Paul W Kincaid, was required to take 30 years ago in order to become an RCMP. You cannot enlist as a RCMP if you do not take that oath.

Oath of Allegiance: “Do you solemnly swear that you will be faithful and bear true allegiance to Her Majesty Queen Elizabeth the Second, Queen of Canada, her heirs and successors according to the law, so help you God?”

Oath of Office: “Do you solemnly swear that you will faithfully, diligently and impartially execute and perform the duties required of you as a member of the Royal Canadian Mounted Police, and will well and truly obey and perform all lawful orders and instructions that you receive, without fear, favor or affection of or towards any person, so help you God?”

Oath of Secrecy: **“Do you solemnly swear that you will keep absolutely secret all knowledge and information of which you may become possessed through your position with the Royal Canadian Mounted Police; that you will not, without due authority in that behalf, discuss with members of the Force, or any other person, either by word or by letter, any matter which may come to your notice through your employment with the Royal Canadian Mounted Police, so help you God?”**

To each of these questions, the response is: “I do so swear.”

After reading it, to myself, I decided, then and there, that I did not want to be a RCMP. I was born Canadian. My allegiance is to Canada. Duty, honor and country is and will always be to Canada. My mother is French Canadian. She was named after Jacques Cartier (gave Canada its name) and his navigator Claude de Pontbriand. Canada was founded by the French and claimed by Jacques Cartier for France, not Britain. French RCMP officers do not realize or are too stupid to know that they serve the english – actually anglo-saxon – German occupiers of their ancestral land of France.

The above oath is absolute proof that the RCMP is a military force for a foreign entity 'The Crown'. What we fail to do is to understand the extent of control hidden in plain sight. The crown and its true power is hidden. The "Crown" behind the courts is **the Papal Tiara (a)**. The Pope stopped wearing the crown as it would be too obvious for the modern man. is the The full extent to what 'the Crown' is is still being revealed? The RCMP swears allegiance to Queen Elizabeth not to Canada or the Canadian people. They carry out her instructions (military orders). They do not enforce Canadian civil law. They enforce martial law – the military law of the belligerent. The Sussex New Brunswick RCMP detachment personnel were interviewed last year and they reconfirmed that the RCMP is not a civilian police force but a paramilitary force for Queen Elizabeth II. A paramilitary is a military force whose function and organization are similar to those of a professional military, but which is not considered part of a state's formal armed forces".

The people have never been represented.

We have been blind to our own enslavement allowing wolves in sheep's clothing to run the hen house. Are we going to open up our hearts to see and hear the truth of our manufactured reality? We must each do our part to return civility, harmony, and peace to our world so that all children can live a life of joy. It is our birth right.
