LORNA LYNNE BORGESON

A message from Dr. Bonnie Henry

Dear Lorna Lynne,

Did you know that a COVID-19 vaccine has been set aside for you?

Getting vaccinated is more convenient than ever. Interior Health staff are saving a vaccine for you.

There's no need to register in advance. Just show up and get vaccinated. It's that easy.

You'll be joining millions of British Columbians who have already stepped up for their first dose. They've been a big part of how BC slowed the spread of COVID-19.

But to really put the pandemic behind us, we need to get more people in your community vaccinated.

Canada's approved vaccines have been extensively tested to make sure they're safe. And best of all, they are very effective. If you want to learn more, you can visit bccdc.ca.

As more British Columbians get vaccinated, day-to-day life will slowly return to normal. But COVID-19 isn't gone yet, so we all need to do what we can to protect each other.

And getting vaccinated is the best way we can protect each other against the variants and ensure they can't mutate and spread.

I'm hoping we can count on you. So please, if you haven't yet been vaccinated but are able to, come visit us at:

WHERE

Trade & Convention Centre

ADDRESS

273 Power St, Penticton, BC V2A 7K9

Better days are within our reach. Until then, let's keep doing everything we can to keep your friends and neighbours safe.

Sincerely,

A handwritten signature in black ink, appearing to read "Bonnie Henry". The signature is fluid and cursive, with the first name "Bonnie" and last name "Henry" clearly distinguishable.

Dr. Bonnie Henry
MD, MPH, FRCPC
Provincial Health Officer

P.S. If you would rather make an appointment instead of dropping in, that's OK too! You can easily and quickly register at getvaccinated.gov.bc.ca or by calling 1-833-838-2323.
