Good faith is defined at Section 2-103(j) as "honesty in fact and the observance of reasonable commercial standards of fair dealing." 61. The competency of the members of the "Legal Society of Canada" is under question. The members of the Legal Society are supposed to know the law and should have read "Title 2 of the British North American Act (No2) 1975,

23-24 Eliz. II, c. 53, (Can.)? If they did then there should have been a revision made to this document.

**(61)(a)** While reading this electronic document we found it to state, "For the purposes of this Act, the term "Province" in section 23 of the British North America Act, 1867 has the same meaning as is assigned to the term "province" by section 28 of the Interpretation Act". It is a fact that the term "province" is not found under section 28 of the Interpretation Act Source: <https://www.justice.gc.ca/eng/rp-pr/csj-sjc/constitution/lawreg-loireg/p1t301.html>

**(61)(a)(i)** no one has come forward to explain why this has been over looked as we cannot find the term "province" in Section 28

**(61)(b)** Section 28 of the Interpretation Act reads, "28 (1) If a form is prescribed under an enactment, deviations from it not affecting the substance or calculated to mislead, do not invalidate the form used.
