Dear **Joe Biden**, et alia, stakeholders/stockholders,

This Notice of Criminal Complaint With Liability; Criminal Negligence Causing Bodily Harm Under The Freedom of Information Act with Request for Admissions with attachments and the information provided and the matters mentioned herein requires your immediate attention; you are required to read these documents in this mailing; and

Claimant(s)/Declarant(s)Libellant(s) #1 & #2 come in peace as private man and woman for the preservation of mankind and the ongoingness of life; and,

We have recently realized that we have been unknowingly complicit in a fraud as a result of our lack of education of the law as it is written and have been blind to the corruption in court proceedings; and as a result we have been unwittingly committing fraud while being victimized by those that are wilful participants in this fraud; With this knowledge it is our duty and responsibility to right ourselves and give the proper person(s) lawful notification, by serving you/them with this Notice of Criminal Complaint With Liability; Criminal Negligence Causing Bodily Harm Under The Freedom of Information Act with Request for Admissions; and

Notice:

Matthew 17 (KJV) Think not that I am come to destroy the Law, or the Prophets: I am not come to destroy them, but to fulfill them.

Matthew 18:15-19 (KJV) 15 Moreover if thy brother shall trespass against thee, go and tell him his fault between thee and him alone: if he shall hear thee, thou hast gained thy brother. 16 But if he will not hear thee, then take with thee one or two more, that in the mouth of two or three witnesses every word may be established. 17 And if he shall neglect to hear them, tell it unto the church: but if he neglect to hear the church, let him be unto thee as an heathen man and a publican. 18 Verily I say unto you, Whatsoever ye shall bind on earth shall be bound in heaven: and whatsoever ye shall loose on earth shall be loosed in heaven.

Matthew 5 1599 Geneva Bible] 1 Who are blessed 13 The Apostles are the salt and light of the world 14 The city set on an hill 15 The candle 16 Good works 19 The fulfilling of Chnst's commandments 21 What killing is 23 Reconciliation is set before sacrifice 27 Adultery 29 The plucking out of the eye 30 Cutting off of the hand 31 The bill of divorcement 33 Not to swear 44 To love our enemies. 48 Perfectness.

Notification of liability is the first essential element of "Due Process of Law". As silence is acquiescence under the law, silence can only be equated with fraud where there is a lawful, moral or legal duty to speak, or where an inquiry left unanswered would be misleading, whether intentionally or not. [Cf. 5 cfr 2635.101]

As a result of the original trespass at birth and unlawful conversion during the registration process we have been victimized by the members of "The Legal Society"; we are victims of coercion, entrapment, extortion, and violence including yet not exclusively false arrests, false charges, and convictions; specifically, we **Claimant(s)/Declarant(s)Libellant(s) #1 and #2** are

victims of "Law Enforcement" harassment and misconduct working for the "Port Authorities" of the United States and of Canada who have acted with malice and who are not following "Due Process of Law", and is why we have published much needed information in an electronic document on our website, you are required to use the link shared as Attachment #1 and read the information in this document; these individuals working of the "Crown Corporations" known as "Canada" and "United States" have violated the law as they are written(see attachments 2, 3, 4, 5, 6) and, the trespass has occurred because the "Law Enforcers" either blatantly ignore the laws as they are written, or are not educated to the laws as they are written; and, and by way of the COVID19 mandates and other medial tyranny as stated in the attached documents this trespass is being perpetrated by "Health Care" workers and "Law Enforcement" at the municipal, state, and federal level which has resulted in substantial damage emotionally, mentally, psychologically, and physically; and,

As head of the corporation it is yours and previous **Presidents** responsibility to ensure the "Law Enforcers" working for and under this office are educated as to who your statutes, codes, ordinances, bills, acts, etc., apply to; and,

We have been forced to participate in ritualistic abuse and sacrifice [it is not really a sacrifice when people are murdered deliberately in the name of science] as a result of the creation of the "Corona-virus Pandemic", and subsequent "mandates" we have been humiliated, assaulted, and yelled at by people working in businesses and by "Law Enforcement" enforcing the mandates announced by the "Global Military Industrial Complex" while being uneducated as to who the "mandates" apply to; any assumption or presumption by the men or women in politics that we have approved of, or consented to, being a subject of these military operations, subjecting us to bio-weapons, poisons, or medicated with neurotoxins or anything else (**this is in direct violation of Nuremberg Code**), by spraying them into the atmosphere, putting them in the water supply, or in food and drink to be purchased at the grocery stores without our having been given the offer and accepted this offer, is a direct violation of the will; and,

You should know that we are not the "class of person" that wilfully participates in ritualistic abuse and sacrifice, or murder; and, even though it is a well known fact that vaccines are detrimental to the Central Nervous System of the body, poisons the bodies chemistry, have been specifically designed to cause sterility, and cause DNA damage, and even though millions of people have died and are dying prematurely this bio-weapon is still being created and administered on behalf of the people working for government agencies being a conspiracy to do harm and premeditated murder created for health and welfare; and,

It is concerning that the people in government are actively involved in this assault upon man's genome and assault upon man's faculties, and assault upon our life experience; and we have heard that the people that control the flow of goods (transportation) are deliberately setting up a food shortage; this is vexation and uncalled for being a deliberate crime against mankind; of which the culprits shall be held accountable; and,

We are holding you and all "world leaders" and "politicians" personally liable for these crimes against our body and interfering with our enjoyment of life and deliberate interference with us being able to enjoy the natural world; and is why we require you to complete the Corporate-Government Employer/Employee Questionnaire included in this mailing as Attachment #7 for everyone working directly under this office as "titled" military officials; and mail this information to the address above within 14 business days and if more time is needed you are required to inform us or legal action will be taken; and, according to the

Freedom of Information Act you are required to provide us with this information; as requested; and,

We have full faith and credit in the men and women of congress to progress and fulfill their fiduciary duty by seeing that the alleged debts of the "United States" are paid in full and people receive their full faith and credit under the law and we have full faith and credit that our desire to reach our full potential as a Divine Man and Divine Women is supported by the members of the "Legal Society"; we have full faith and credit that there shall be no further violence perpetrated upon us on any dimension of mind and /or matter; and,

In the Discovery Process you are required by Law to read the "Request For Admissions " page included see Attachment #8 go to this page being page #6 and circle your answer to each statement and mail this page along with the debit/credit cards within 3 business days of receipt of this letter and attachment(s); and,
