Dear Maria-Claude,

The matters addressed and the information shared in this Notice of Criminal Complaint With Liability; Criminal Negligence Causing Bodily Harm With Request For Admissions Under The Freedom of Information Act and in the Attachments require your immediate attention; you are required to read these documents in this mailing and complete the document referred to in Attachment #13 and titled, "Corporate-Government Employer/Employee Questionnaire"; and

Have it be known that **Claimant(s)/Declarant(s)Libellant(s) #1 & #2** come in peace as private man and woman to bring forth truth in these matters and to put an end to the crimes being committed against us and our fellowman for the preservation of man's genome and the ongoingness of life; and,

We have recently realized that we have been unknowingly complicit in a fraud.

This fraud has come byway of :

1. the creation of the "All Capitalized Name" and all assumptions and presumptions that go along with its creation (explained in attached documents)
2. the identification cards given to us with this "All Capitalized Name" and not disclosing to us that there is a trust or bond created as a result of us being born and people believing the people that created this identification somehow own the name or have rights over our life experience (over our blood, sweat, and tears), or over our biology, or over the spirit,
2)(a)) they own the card not the information on it or anything associated with this information
3. the creation of the idea of a "Corporation" including yet not exclusively to the idea of the "All Capitalized Name" being a "Corporation" (a fiction) or a Business
4. corrupt business practices by the people behind the making and support of the idea of "The Crown"
5. false and misleading information being given to us by clergy and teachers throughout our life resulting in a lack of education in all cases especially a lack of comprehension of the laws as they are written
6. being taught language and not the etymology of the words we use and taught to incriminate ourselves using "weasel words" and words that sound the same yet have different meaning so ass to incriminate ourselves in and out of court
7. false licensing and certification
(6)(a) the Birth Certificate is an undisclosed "Stock Certificate"
8. corruption in court proceedings (see Attachment #13 exposing the corruption in the Courts)

Whereas we have been blind to the crimes being committed in Government Agencies, in Banks, in Businesses, in Churches,

and on the Streets; and as a result we have been unwittingly committing fraud while being victimized by those that are wilful participants in this fraud; With this knowledge it is our duty and responsibility to right ourselves and give the proper person(s) lawful notification, by serving you/them with this Notice of Criminal Complaint With Liability; Criminal Negligence Causing Bodily Harm With Request For Admissions Under The Freedom of Information Act ; and

Notification of liability is the first essential element of “Due Process of Law”. As silence is acquiescence under the law, silence can only be equated with fraud where there is a lawful, moral or legal duty to speak, or where an inquiry left unanswered would be misleading, whether intentionally or not. [Cf. 5 cfr 2635.101]

Deceptive forms [15 USC §1692j]

False and misleading representations [15 USC §1692e]

Fictitious Obligations [18 USC §514]

Unfair or deceptive acts or practices in or affecting commerce.” [15 USC §45]

Definition: “Fraud in the inducement occurs when a person tricks another person into signing an agreement to one's disadvantage by using fraudulent statements and representations. Because fraud negates the “meeting of the minds” required of a contract, the injured party can seek damages or terminate the contract.”

As a result of the original trespass when we are born and the unlawful conversion during the registration process in the creation of Government Identification with the All Capitalized Name we have been victimized by the members of “The Legal Society” (this is identity theft); we are victims of coercion, entrapment, extortion, and violence including yet not exclusively false arrests, false charges, and false convictions; specifically, we **Claimant(s)/Declarant(s)Libellant(s) #1 and #2** are victims of “Law Enforcement” harassment and misconduct working for the Penticton Detachment Royal Canadian Mounted Police for The City of Penticton and victimized by “Law Enforcement” for the “Port Authorities” of the “United States” and of “Canada” who have acted with malice and who are not following “Due Process of Law”; this is why we have published much needed information in an electronic document on our website, you are required to use the link shared as Attachment #1 and read the information in this electronic document; and,

As a result of poor comprehension, poor training, and lack of awareness the individuals working in “Law Enforcement” for the “Crown Business/Corporations” known as “Canada” and “United States” etc., have violated the law as they are written (see

attachments 2, 3, 4, 5, 6, 7, 8, 10, 11); and,

These trespass has occurred because the people working in "Health Care" believe they have authority to dictate to us what is best for the health and well being of our body and the people in "Law Enforcement" are either blatantly ignoring the laws as they are written, or are not educated to the laws as they are written; and they are ignoring the fact that they are causing damage to actual property; and as a result in matters such as closing the borders thereby restricting the ability for men and women to travel and by arresting and interrogating men and women at the border and these "Border Agents" are forcing men and women to have a COVID19 test, as well as all other matters regarding COVID19 mandates, and other medical tyranny as stated in the attached documents when they have no jurisdictions or right to do so; it is our lack of knowledge and comprehension of the laws that is allowing men and women working in "Health Care" and "Law Enforcement" at the municipal, state, and federal level to get away with committing horrific crimes against "We The People" born to Earth resulting in substantial damage spiritually, emotionally, mentally, psychologically, and physically; and,

Whereas there is ample evidence that the men and women acting in the roles of Court Clerk, Judge, Prosecutor, Lawyer or Attorney, Bailiff, etc., are running fraudulent courts, they are simulating "legal process" and simulating "Due Process of Law" while committing crimes in every case (see Attachment #14, you are required to watch this revealing video), we object to the removal of this YouTube video. In other incidences the videos have been removed thereby impeding people from seeing the evidence of wrong doing and impeding peoples ability to be informed thereby removing the ability for "The People" to make informed choices; and,

As a result of this trespass when we are born and the sharing of misleading information and the withholding of vital information, we have been coerced into participating in this fraud and also enticed into participating in ritualistic abuse and sacrifice. It is not really a sacrifice when people are murdered deliberately in the name of science and as a result of "False Flag Wars", and as a result of the creation of "Pandemics" such as this "Corona-virus Pandemic" which have resulted n the people in Government initiating the use of the bio-weapon and murder weapon called "vaccines"; and,

As a result of the subsequent "mandates" while being uneducated as to who the "mandates" apply to we have been humiliated, assaulted, and yelled at by people working in "Businesses" and by "Law Enforcement" enforcing these mandates announced by the "Global Military Industrial Complex"; any assumption or presumption by the men or women in politics that we have approved of, or consented to, being a subject of these or any other previous military operations, subjecting us to neurolingistic programming, electronic harassment, bio-weapons, poisons, or medicated with neurotoxins or anything else , by spraying these substances into the atmosphere, putting them in the water supply, or in our food and drinks to be purchased at the grocery stores without our having been given the offer and accepted this offer, of which is a direct violation of the will and is a **direct violation of Nuremberg Code**; and

You should know that we are not the "class of person" and do not have the heart or the mentality to wilfully participates in ritualistic abuse and sacrifice, or murder; and, even though it is a well known fact that vaccines are detrimental to the Central Nervous System and detrimental to the Immune System of the body, poisons the bodies chemistry, and have been specifically designed to cause sterility and to cause DNA damage, and even though millions of people have died and are dying prematurely this bio-weapon is still being created and administered on behalf of the people working for government

agencies, this is a conspiracy to do harm and premeditated murder being enforced under so-called "health and welfare"; and,

It is disconcerting that the people in government are actively involved in this assault upon man's genome and assault upon man's faculties, and assault upon our life experience; it is also disconcerting to find out that the people that control the flow of goods (involved in transportation) are deliberately setting up a food shortage; this is vexatious and uncalled for being a deliberate crime against mankind; of which the culprits shall be held accountable; and,

We are holding you and all "world leaders" and "politicians" personally liable for these crimes against our body and interfering with our enjoyment of life and deliberate interference with us being able to enjoy the natural world; and is why we require you to complete the Corporate-Government Employer/Employee Questionnaire included in this mailing see Attachment #13 and complete this form for everyone working directly under this office as "titled" military officials; and mail this information to the address above within 14 business days. If more time is needed you are required to inform us or legal action will be taken; and, according to the Freedom of Information Act you are required to provide us with this information; as requested; and,

Notice to Respondent(s)/Libellee(s) Admit – Respondents(s)/Libellee(s) listed within this document admit to the guilt of tort and the breaching of service agreement(s)/contract(s) against **Claimant(s)/Declarant(s)Libellant(s) #1 & #2** and **others** under fictional falsity, a cloak to disguise a collateral undertaking, and malicious vexation by the "simulation of legal process" under "the color of law" to **Claimant(s)/Declarant(s)Libellant(s) #1 & #2** and **others** detriment, pain, misery, and injury, resulting in psychological, emotional, mental, and physical damage; and,

We the **Claimant(s)/Declarant(s)Libellant(s) #1 & #2** do not wish to harass, intimidate, offend, conspire, blackmail, coerce, or cause anxiety, alarm or distress. this document with Notice(s) by Affirmation, Request for Admissions, and Attachments, are created and served with honourable and peaceful intentions and are expressly for your benefit to provide you with "Due Process of Law" as you have stipulated verbatim and am offering you a "good faith" opportunity to take right, restorative, and corrective action; and, Let any man or woman or entity or God come forward now who believes him/herself to have spiritual authority or superiority over our energy expression and/or over our life experience to come forward now or forever hold their peace; and,

If you are having trouble interpreting these words as they are written we suggest finding someone with high spiritual knowledge, and someone well versed in contract law, and knowledgeable in lawful law; and,

We the **Claimant(s)/Declarant(s)Libellant(s) #1 & #2** do declare and affirm that we are competent in this matter coming forward with conscious intent for an amicable resolution so as to find a complete cure for the conundrum "We The People" are facing. The facts set forth herein, are true, correct, and not misleading. The information presented is meant to bring clarity and not to be construed as being demeaning, threatening, alarming, harassing, annoying, or fraudulent. The facts presented are admissible as evidence and are in accordance with our first-hand knowledge, comprehension, and not based in hearsay, theory, indoctrination, or belief; and

Furthermore as pursuant to 28 U.S. Code § 1746 – Unsworn declarations under “penalty of perjury” we the Claimant(s)/Declarant(s)Libellant(s) #1 & 2 declare and verify under “penalty of perjury” under the so-called “laws” of Canada and the so-called, “Laws” of the United States of America and by Natural Law that the foregoing is true and correct. Executed on this 10th day of the seventh month July in the imposed Gregorian Earth Year of 2021
