Conditional Acceptance Of Offers To Contract

Point of Law

All contracts commence with an offer and only become binding upon acceptance. See: Farnsworth Contracts, 2004 by E. Allen Farnsworth, Third Edition, Aspen Publishers. ISBN: 780735541429, volume 1

On October 7, 2020 you forced us into a contract with you when you stopped us while we were traveling, minding our own business, and demanded to speak to us, we were ill-equipped to answer in a way that was not incriminating under the circumstances while you held us at gunpoint and ordered us around

Binding Contract

Whereas, if you agree with all of the terms of the Contract, you need not reply. Your silence will constitute your agreement and acceptance of all the terms, statements, and provisions hereunder as your complete understanding and agreement with the Affirmant(s)/Claimant(s)/Libellant(s) and your waiver of any and all rights, remedies, and defences of protest, objection, rebuttal, argument, appeal, and controversy for all time. Dear **Tae D. Johnson**, et alla, and "stakeholders"

May 23, 2021

Re: this Notice of Default, Notice of Trespass, Theft of Property with Liability, Acceptance of Oath, Notice of Criminal Activity of Officer(s), Notice of Claim Regarding the Administration of Property Without Right, Notice of Pretrial Discovery under the Freedom of Information Act with Intent to Sue with Request for Admissions is for the reason(s) that you have misapplied "statutes" and "codes" (which are not laws) in your decisions and actions and in so doing have caused tremendous and substantial harm to the "spirit" and tremendous and substantial injury and damages to actual property resulting in pain and misery to the **Affirmant(s)/Claimant(s)/Libellant(s) and to our friends and family members; and,**

Whereas, due to the complexity and seriousness of the situation, we expect the Respondent(s)/Libellee(s) referred herein to read all information presented in this instrument and attached instruments and to answer all question and provide the information requested and to respond to the Request for Admissions so as to bring unequivocal clarity to all parties and so that we can come to a peaceful and amicable resolution regarding the issues presented, forthwith; and,

Maxim of law: Ignorance of the Law is No Excuse

Notice: 

Matthew 5: 17 *"Think not that I am come to destroy the Law, or the Prophets. I am not come to destroy them, but to fulfill them".* 

Matthew 19:1-6 *"When Jesus had finished saying these things, he left Galilee and went into the region of Judea to the other side of the Jordan. ²Large crowds followed him, and he healed them there. ³Some Pharisees came to him to test him. They asked, "Is it lawful for a*

retroactively and inform us that the accounts are corrected by sending an email to Affirmant(s)/Claimant(s)/Libellant(s) #1 and #2 shackdale@gmail.com and sophia-taniahteam@yahoo.com respectfully; and,

Whereas now we would like to bring your attention to the invoice served on December 2, 2020, and again sent on December 6th, our records indicate that this invoice is yet to be paid. This is beyond accepted terms of payment. See a copy of this said instrument with the invoice attached herein. You are required to pay the past due amount as indicated on the invoice. If payment is not received within this "grace period" we will be adding 20% interest from the 1st day that it was due and if not paid, we will begin to take legal action to ensure payment. Please deposit legal monies in the amount of fifteen million one hundred and thirty-one thousand US dollars into the Treasury Direct Master Account in this name and send two unlimited visa debit cards to king-raymond-dale-god-father-queen-sophia-taniah-goddess-mother@ Affirmant/Claimant/Liabelant # 1's temporary address 1320 main street, oroville washington zip exempt. Also, please let us know by email that we are cleared for unimpeded travel by sending an email to both Affirmant(s)/Claimant(s)/Libellant(s) #1 and #2 shackdale@gmail.com and sophia-taniahteam@yahoo.com respectfully, also let us know in this email that we are cleared for unimpeded travel so that we can be together the way a husband and a wife are supposed to be; and,

In other words, we wish to inform you that you have defaulted on the Notice we sent on December 2, 2020, and again on December 6th. We are serving these Notices on this day being the 5th month known as May on this day being the 23rd day of the imposed Gregorian Earth year of 2021 to remind you that you made a mistake when you arrested us on the 7th day of the tenth month known as October of the imposed Gregorian Earth year of 2020 and while you held us, hostage, at gunpoint the people working for your office/agency (Crown Service Corporation) broke into Affirmant(s)/Claimant(s)/Libellant(s) #1 and #2 "Automated Covered Wagon(s)" and ransacked our household items, and then you proceeded to have us separate our property, then you stole my property (my car and my wife, my goddess, my queen). Affirmant(s)/Claimant(s)/Libellant(s) #1 wishes to inform you that you are responsible for returning my property being (my car and my wife, my goddess, my queen), you are going to locate whoever is in the custody of my property and or preventing my wife from joining me and inform them that the alleged border is to be opened for her to travel to me without harassment, interrogation, and/or molestation; and,

Whereas we are willing to forgive you of your trespass as we recognize your ignorance of the law and see that you have been blind to the crimes you are committing as a result of it. And we can see that you have given over your will to your religious indoctrination and acquiescence to the position of the Pope. Militarized training hypnotizes people and robs them of their senses and sensibilities, and people in this position lack insight and ignore foresight as a result of their prejudices which gives them the ability to follow orders without question even when these orders are not legal or lawful. And we are willing to overlook your illiteracy as it is a result of your poor training, lack of education, and poor spiritual guidance on the condition that you take the responsibility for learning the laws as they are written and see to the immediate return of the properties, you have absconded from me by seeing that they are returned to Affirmant(s)/Claimant(s)/Libellant(s) #1's temporary address [REDACTED] washington (zip exempt); and

Whereas see to it that you immediately begin to make changes to policies and procedures of the agency or office you are operating under. It matters not how long people have been acting in a certain way or how long policies and procedures have been in place if the people acting under these policies and procedures are breaking the laws and causing damage to actual property and hurting people, they must be notified of their trespass and acknowledge the errors of their ways and take corrective action; and,

Abatement Of Errors And Omissions

If the Respondents/Libellees discover any errors and omissions or defects, legal or otherwise, in or related to this instrument, Respondent(s)/Libellee(s) are required to notice the Affirmant(s)/Claimant(s)/Liabelant(s) at the required location(s), by Registered or Certified Mail, with a point-by-point description of any such errors and omissions or defects for correction within three (3) days of receiving this Notice, or forever agree to the lawful execution of this Notice a matter of public record. If additional time is required for replying, a request must be received by the Affirmant(s)/Claimant(s)/Liabelant(s) in the prescribed form at the locations herein within the three (3) days allotted or be forever barred from contest under the doctrine or maxim of Collateral Estoppel

We require you to respond to the following instructions:

1. To recap, on October 7, 2020 Affirmant(s)/Claimant(s)/Libellant(s) #1 and #2 while minding our own business traveling through what is now known as montana on our way to what is now known as british columbia to return together to our home in penticton we were stopped by men and women working at what is allegedly known as the Canadian Border. We had been exploring what is now known as the southeast when we were stopped/arrested at the Roosville/Grasmere Border located on what has been called U.S Hwy 93/BC Hwy 93. We were delayed while the officers broke into our truck and car aka "Automated Covered Wagons" that were clearly marked with

"Private Property No Trespassing" they ignored the sign and proceeded to go through and ransacked our household items.

(1)(a) Affirmant/Claimant/Libellant #1 was given a form (Attachment #8) we were then ordered to get back in our "truck" and to turn around and head back south to go through the alleged US Border at which time you and other officers working under this "office" wasted Affirmant(s)/Claimant(s)/Libellant(s) #1 and #2's time, you ignored the sign clearly posted "Private Property Do Not Trespass" then you stole my car, stole my wife (illegal and unlawful divorce), administered my property without right, and made legal determinations on the side of the road. And as a result of your illegal and unlawful actions you have prevented me from moving forward in life with my wife by my side drastically affected my happiness and enjoyment of life. This experience has been incredibly stressful and has interfered and changed the course of my life drastically. Affirmant(s)/Claimant(s)/Libellant(s) #1 and #2 have been separated for 8 months now and this has drastically infringed on our love life. Furthermore, your actions have caused substantial psychological, emotional, mental, physical injury being heartache and pain and misery and it has cost us money, \$500 us dollars/month; and,

(1)(b) We are willing to forgive you of your trespass as we recognize your lack of insight and ignorance of the law and see that you have been blind to the crimes you are committing as a result of your illiteracy, ignorance, indoctrination, militarized training, and prejudices. And we are willing to overlook your illiteracy and ignorance as this state is a result of your poor training, lack of education, and poor spiritual guidance on the condition that you take the responsibility for learning the laws as they are written and take the time to insightfully explore the information provided, and then see to the immediate return of the properties you have absconded from me by seeing that they are returned to me at my temporary address 1320 main street, oroville washington (zip exempt)

(1)(c) there's an important legal principle that says "ignorance of the law is no excuse." that's right: you can't defend your actions by arguing you didn't know that what you were and are doing is illegal, even if you honestly did not realize you were breaking the law" <https://educaloi.qc.ca/en/capsules/ignorance-of-the-law-is-no-excuse/#:~:text=There's%20an%20important%20legal%20principle,you%20were%20breaking%20the%20law.>

(1)(d) Notice the oath states, "I will obey the orders of the President of the United States...", but the Uniform Code of Military Justice (UCMJ) Article 90 states that military personnel need to obey the "lawful orders of his/her superior. The duty and obligation to obey lawful orders creates no grey area for discussion. But does the military member have a duty to DISOBEY "unlawful orders" including orders of senior officers, Secretary of Defence and even the President of the United States? The UCMJ actually protects the soldier in this situation as he/she has a moral and legal obligation to the **Constitution** and not to obey unlawful orders and the people who issue them. These have to be strong examples of a direct violation of the Constitution and the UCMJ and not the military member's own opinion. Source: <https://www.thebalancecareers.com/military-orders-3332819#:~:text=Article%2090%20of%20the%20Uniform,member%20a%20superior%20commissioned%20officer.&text=Not%20only%20should%20an%20unlawful,can%20result%20in%20criminal%20prosecution.>

2. In other words, we are willing to overlook your poor judgment as a result of your ignorance and stupidity. And we can see that your lack of awareness, and lack of education, and your spiritual immaturity is interfering with your ability to make a moral and ethical decision while doing your job as described. And we are sympathetic to your "state". Affirmant/Claimant/Libellant #2 was once in a similar low consciousness state and ignorant of her participation in "satanic rituals" and blind to the "blood rituals" she was performing "just doing her job" and ignorant to the harm she was causing while performing the duties she was trained to do as a "Registered Medical Laboratory Technologist". Once she broke free from the hypnotic trance that had her blind and ignorant to the harm she was inflicting upon innocent babies by poking them in the heal and poking then in their arm and taking their blood from their tiny heal and tiny little arm when they could not say, "no" she could no longer do this activity;

(2)(a) she was horrified to what she had been doing as "a routine procedure" completely oblivious to the ramifications of her actions and she is the one that had to own up and stop the actions that she was doing for "a pay check"

(2)(a)(i) the revelation of what she had accepted to do with absolutely no awareness was so stressful and caused so much turmoil to her already taxed body she ended up having a nervous system breakdown and she does not want anyone to go through the pain and anguish she has experienced over the last 21 years since her awakening and is why she is offering you the opportunity to return to grace gracefully

(2)(b) she is remorseful and went through the "dark night of the Soul" and is working at resolving the shame, blame, and guilt she acquired as a result of her awakening and is offering you the opportunity to be remorseful yet not suffer with shame, blame, and guilt as she has laid down the framework so others can restore heart-mind coherence without effort

(2)(c) once we are aware of the harm we are doing and confess we should be absolved of our wrongdoing especially when we thought what we were doing was the right thing. However, if we continue to do harm knowing that we are harming others and do not stop the behaviour that is causing harm and injury to another this is a completely different thing all together

(2)(c)(i) everyone should realize in harming others we are harming ourselves

(2)(d) she realized that she had been hypnotized and programmed to ignore the will of others and had lost touch with the body's intelligence and is why she has decided to return to the "Right Use of Will" in all cases and is giving you the opportunity to follow the "Laws of A Free Will Universe"

(2)(d)(i) this epiphany forced her to look at her contradictions, accept her ignorance and illiteracy, and begin to take actions towards absolving all shame, blame, and guilt and is requesting that you too will be horrified to the "laws" you have been breaking and the lives that you have been affecting in how you have been trained to do your job and stop following orders without question and adjust your behaviour accordingly

(2)(d)(ii) it is up to each of us to use discretion to restore our lost will and to question immoral and unethical orders that are illegal and unlawful

(2)(e) If you and your fellow officers are willing to acknowledge the errors of your ways, willing to be absolved, willing to learn the laws, and adjust your behaviour accordingly thereby changing the way you deal with the people then we will not take legal and lawful action to sue and prosecute and hold you accountable for the crimes you have and are committing

3. we reiterate, we are willing to let bygones be bygones on the condition that you and your fellow officers are willing to educate yourself to the laws that you are enforcing;

(3)(a) you can begin by thoroughly reading the online electronic document published on our website titled "law-enforcers-are-supposed-to-know-due-process-of-law" (see Attachment #2) and begin educating yourself and your fellow officer(s) to the laws you are enforcing and acknowledge who exactly you have the lawful and legal "power" and "authority" and "right" to give an order to

(3)(b) you are required to go to Attachment # 4. and use this link to access this online google document titled, "Notice of Pretrial Discovery by Way of Request For Admissions" read the instructions and respond to the "Request for Admissions", please note this online form is for the purpose of preservation and conservation to reduce and eventually eliminate fraud, waste, and abuse of the natural resources, use this link to access the document, read the document, and then print off pages 3 to 7 "Request For Admissions" if needed https://docs.google.com/document/d/1_8RO_iQJQJavTOkBFmoCX1tyG2sCNdcAUFYK-QsIIWgk/edit#

respond to The Request for Admissions within 14 business days by printing off pages 3 to 7 of this section "Request for Admissions" and sending your answers via email to shackdale@gmail.com and a copy to sophiataniahteam@yahoo.com

(3)(b)(i) in the advent that you do not do this then it is by law established your admission to the statements stated herein, "Request for Admissions Maxim of Law: "He who does not deny, admits. [A well-known rule of pleading]", unless expressly denied, the following stands under the penalty of perjury: Admit or Deny the trespass came by way of", if we do not receive your response within 14 business days, you will be forcing us to take the next step in the Private Ministerial Action Process and begin taking the steps towards a lawsuit and prosecution of said crimes, et alla

(3)(e) you are required to honor our right to experience life by Affirmant(s)/Claimant(s)/Libellant(s) morality, ethics, customs, and traditions and is why by law you are required to read the "Public Notice; Pronouncement and Announcement: Decree The Living Will!!!" which was published on Affirmant(s)/Claimant(s)/Libellant(s) website. Use this link and read this "Public Notice": <https://freedomdove.net/2021/04/28/public-notice-pronouncement-and-announcement-decree-the-living-will/>

4. ensure the correction of your records regarding the citizenship status of Affirmant(s)/Claimant(s)/Libellant(s) #1 and #2 and unless you can prove that either one of them has been sworn in by the Attorney General as a citizen of the United States and/or of Canada respectively as pursuant to 8 U.S. Code § 1448 - Oath of renunciation and allegiance

(4)(a) we would be complicit in committing a felony if we say, "we are a citizen of the United States or of Canada when we are not one" 18 U.S. Code § 911 - Citizen of the United States reads "whoever falsely and willfully represents himself to be a citizen of the United States shall be fined under this title or imprisoned not more than three years, or both"

Whereas the Fourth Article to the Bill of Rights, listed as Article 1 of The Constitution reads as follows:

"The right of the people to be secure in their persons, houses, papers, and effects, against **unreasonable searches and seizures**, shall not be violated, and no Warrants shall issue, but upon **probable cause**, supported by **Oath or affirmation**, and particularly describing the place to be searched, and the persons or things to be seized"

The search-and-seizure provisions of the Fourth Article is all about privacy. To honor this freedom, the Fourth Amendment protects against "unreasonable" searches and seizures by state or federal law enforcement authorities.

Whereas in order to ensure unequivocal clarity, and to affect the removal of any and all assumptions and presumptions, you are hereby put on notice that this notification is not directed to the legal fictional person, "Acting Director of US Immigration and Customs Enforcement ", but to you, Tae D. Johnson et alla, in your private capacity as a non-fictional man or woman who has sworn an "Oath of Office", and who, by virtue of this **Oath**, has a mandated duty and obligation to uphold the Constitution(s) and to know the law and to uphold the law; and,

Whereas responses to this notice that are immaterial or irrelevant to the subject matter, or that are generally non-substantive, will be treated merely as a provision of information, and legally and lawfully as a non-response, with willful intent to defraud and cause injury and damage to actual property. A non-response is also a response; and,

Whereas you, Tae D. Johnson et alla, may disagree with any of the terms of the Contract by stating a verified claim with particularity (see Offer of Immunity—Stating a Claim below). You and the Affirmant(s)/Claimant(s)/Libellant(s) agree that a reply which is not verified, or a reply from a third-party agent lacking first-hand knowledge of the facts, will constitute your "failure to reply" as defined herein. Offer of Immunity—Stating a Claim

Without verified proof that we have *already* committed a crime, expressed contractual authorization from us or a **lawful warrant**, any detainment or search is an infringement on rights, a violation of one's oath, and, therefore, a violation of the emoluments of one's office, a violation of the statutes, and thus an act to the overthrow of the constitutional government thus an act of treason; and,

Whereas further, as spiritually evolved and enlightened beings we are non- belligerent, non-combative, non-militant, a peaceful man and a peaceful woman traveling through life and not engaged in interstate or foreign commerce, thus we are not subject to the "Transportation Security Regulations", and/or the Uniform Commercial Code. And unless you can prove a contractual agreement giving expressed written consent to a search and seizure of our property, then you have consented to and are complacent in and involved in illegal and unlawful search and seizure, an unwarranted illegal and unlawful divorce, and are participating in grand theft auto (you stole my wife and my car).; and,

Whereas this Notice of Default, Notice of Trespass, Theft of Property, Liability, Acceptance of Oath, Notice of Criminal Activity of Officer(s), Notice of Claim Regarding the Administration of Property Without Right, Notice of Pretrial Discovery under the Freedom of Information Act with Intent to Sue with Request for Admissions is a revelation that you et al all are breaking the laws as they are written and if the record(s) are not corrected immediately and the detainment of my property continues and you continue to arrest and intimidate us, and the commandment(s) listed herein and those recorded and announced in the Public Notice (see Attachment #4) are not enacted and you do not halt this assault upon the earth and upon the inhabitants of the earth then you will be forcing our hand and we will open a case at the Public Courthouse in Penticton. We will file this Notice of Default, Notice of Trespass, Theft of Property, Liability, Acceptance of Oath, Notice of Criminal Activity of Officer(s), Notice of Claim Regarding the Administration of Property Without Right, Notice of Pretrial Discovery Under the Freedom of Information Act with Intent to Sue with Request for Admissions along with a petition of remonstrance to investigate Tae D. Whereas this Notice of Default, Notice of Trespass, Theft of Property, Liability, Acceptance of Oath, Notice of Criminal Activity of Officer(s), Notice of Claim Regarding the Administration of Property Without Right, Notice of Pretrial Discovery Under the Freedom of Information Act with Intent to Sue and Request for Admissions is not subject to the discretion of the court, or to the discretion of the respondent(s) mentioned herein, or other "business men" and "investors" participating in the crimes against humanity whether named herein or not. Any objection to or rejection of this notice is required to be by a sworn statement as to why and under what authority Tae D Johnson et alla is **not** required to accept this contact or advise us of any defect you may find and provide your bond in support of your position. Failure to respond will be certified and verified as fraud and a deliberate intent to charge our field with the intent to cause us monetary loss and damage to the spirit thereby to cause psychological, emotional, mental, and physical harm, loss, and injury on our part and to our friends and family pursuant to United States vs Tweel 550 F.2d 297, 299-300 (5th cir 1977); and,

Whereas this Notice of Default, Notice of Trespass, Theft of Property, Liability, Acceptance of Oath, Notice of Criminal Activity of Officer(s), Notice of Claim Regarding the Administration of Property Without Right, Notice of Discovery with Intent to Sue and Request for Admissions is made in good faith and explicitly without recourse. The contract now between us, now irrevocably consummated, pertains to your **having knowledge** of the law, and having the power to correct a wrongdoing and stop a wrong from occurring, and thus the duty to stop a wrong from being done, particularly where such a wrong results in, or causes any deprivations to our religious freedoms, and/or our inalienable and natural inherent and innate rights and freedoms and that of others, the deprivation of which in whole or in part, shall be deemed a breach of contract, a violation of substantive due process, a breach of public trust, and a breach of fiduciary duty, all or any of which you et alla shall be held liable for, without recourse and **without further notice**; and,

Whereas "Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances". Notice of Pretrial Discovery Under the Freedom Of Information Act

We the injured parties are serving this Notice of Pretrial Discovery Under the Federal Freedom of Information Act: for the purpose of bringing clarity to all parties involved in these interactions and to point out the crimes they have committed. And is why we are requesting specific information regarding the matters at hand. We wish to inform the "Officers" and the "governing parties" involved in this direct attack upon us with deliberate intent to do harm. The Request for Admissions by way of Due Process of Law regarding issues stated herein is to establish the misconduct of Law Enforcement Officers that has permitted this direct attack upon us resulting in substantial damages and that these Officers are not following corporate-government rules and regulations at the Municipal, State/Provincial, Federal Level, and to clearly establish a employer/employee relationship of all Public Servants not just the ones listed herein with Claimant(s)/Libellant(s) and our loved ones; and,

Whereas this is a request under the Freedom of Information Act regarding the incidences that took place on October 7 through to October 21, 2020, and which involved the administration of our actual property, the charging of our energy field, manipulation of our thoughts, electronic harassment using artificial electromagnetic frequencies which has drastically affected our well being, our vitality, and our zest for life and has had a dramatic effect on the natural electromagnetic field of our unique energy signatures (the body's named herein) and our greater body Gaia aka Earth. And the integrity of the psychological, emotionally, mental, and physical well-being of the electromagnetic biological systems of these bodies as a result of the mandating of the wearing of a mask, "social distancing", use of "hand sanitizers" and by way of the implementation of the controversial use of the COVID19 test and the administration of the biological weapon coined "COVID19 Shot". These initiatives orchestrated and implemented by top officials of the governing parties have substantially affected our experience of life and has put our life in grave danger; and,

Whereas the unwarranted and unsolicited arrest (s) and the trespasses mentioned herein having violated Affirmant(s)/Claimant(s)/Libellant(s) #1 and #2's will and have resulting in loss of time, as well as sustaining substantial injuries, pain, and misery too as a result of these altercations with said employees (the men and women working/acting as Law Enforcement Agent(s) or Officer(s) of the United States and of Canada as well as the (wo)men employed under the corporate industry called, "Public Health". And just because the men and women working as "Border Control Officers" have gotten away with their criminality by harassing and ordering men and women they have no right to harass and order in the first place does not mean it shall go on forever; and,

In other words, this freedom of information request has been sent with the purpose to determine the fact(s) of the matter so that an amicable resolution to this controversy can be reached, it is our wish to come and go and move upon the earth unencumbered by any

previous fanciful ideas conjured up by the "Papal Bloodline", and to be unencumbered in our travels as we traverse time and space unimpeded and to travel upon the earth, by land, air, water and ether freely and without being stopped, harassed, and or molested in any way by anyone. It is our Divine Right to fulfill our desire to reach higher states of consciousness. We shall be unhindered in these activities so long as we cause no harm, loss, or injury to the spirit and/or to the property in use by another man or woman or other; and,

1. it shall be known that Agents of the Agency and Officers of the Office have been simulating a legal process and in so doing have committed egregious crimes against the people born to this world and is why we bring your attention to the online Request for Admissions (see Attachment #4) https://docs.google.com/document/d/1_8RO_iQQJavTOKBfmoCX1tyG2sCNdcAUFYK-QsIIWgk/edit#

Whereas we are being told that we can get our car back yet we neglect to acknowledge we really do not need the MSO/MCO:

"How to Get the MSO/MCO Title

Gather the pertinent information

This includes the VIN number of the item, proof of ownership in the form of a signed bill of sale and receipt. Contact the dealership.

Call the manufacturer directly. You can find the contact information in your owner's manual.

State the reason you are requesting the missing statement of origin. You may need to provide a written request or complete an application for the manufacturer or authorized dealer. Those parties will provide you with a link to the information on their website or can send you the form directly via the mail.

Tip, if you are financing the equipment or vehicle, you may need to contact the finance company directly, as they should receive the MSO title paperwork when the closing the financial loan (all loans are fraudulent, there is no such thing as a "loan").

They go on to say, "Take your car back!!!

Print out a DMV Form VTR-275 in Texas first....all other states have a similar DMV facility and process!! Go to the (Austin, Texas) Parmer Lane facility or the STATE you live in and tell them that you want a complete Title History on your car...give them your clear Title, so they can get all the docs together, on that automobile. What you will get is a complete Title History on your car, including a copy of the MCO/MSO!! Pay for the 'Certified title history' for \$6.75 for each auto or similarly situated for the STATE you are in. They will give you a packet that has their Gold Seal on it, and the MCO/MSO is at the back of it!!

Get that Authenticated at the Texas SOS office, (\$15, use the non-Hague country of Indonesia....no need to do WA, DC's SOS, as the Texas Titles are here in Texas), then do an 'I Accept the Deed' Affidavit on that Certified Copy of Title History, then have a Notary make certified copies of that whole packet, THEN go file one of the Notary copies into the public records office, and have them give you a certified copy of that public record, and keep that in your car!!

You are NOW the true and lawful owner, and the STATE OF TEXAS no longer has ANY security interest in that car!! I don't see how they could write you ANY ticket on that automobile, with you being the sole owner!!" (Whoever wrote this is in "Separation Consciousness" we cannot "own" that which we are. We were always the entitlement holder of said "Car")

Currently, the STATE OF (ALL STATES) has a security interest in your automobile, thanks to the ignorant dealerships and fraudulent municipalities that mandate what those dealerships do with

Automobile Titles! **Take your Car Title back!!**

Why should we have to take our car back when the system is based on fraud? There should have been full transparency from the beginning. We should never have "lost" our "Car Title" in the first place.

We would prefer to know why the "car dealerships" in cahoots with the "township" are running this scam by sending the MSO/MCO to the people running the "State" or the Crown Service Corporation known as "Department of Motor Vehicles and Licensing" and not giving it to the men and women when they come in to "purchase" the car.

Whereas we shall hold everyone involved accountable for the fraud they are running and for supporting the trafficking of man and anima; and,

Obligation of Good-Faith Dealings in General

Under the UCC

Section 1-203 of the UCC provides, "Every contract or duty within this Act imposes an obligation of faith in its performance or enforcement." Good faith is defined at Section 2-103(j) as "honesty in fact and the observance of reasonable commercial standards of fair dealing." This is pretty much the same as what is held by common law, which "imposes a duty of good faith and fair dealing upon the parties in performing and enforcing the contract. Restatement (Second) of Contracts, Section 205.

The UCC's good faith in "performance or enforcement" of the contract is one thing, but what if the terms of the contract itself are unfair? Under Section 2-302(1), the courts may tinker with a contract if they determine that it is particularly unfair. The provision reads as follows: "If the court as a matter of law finds the contract or any clause of the contract to have been unconscionable at the time it was made, the court may refuse to enforce the contract, or it may enforce the remainder of the contract without the unconscionable clause, or it may so limit the application of any unconscionable clause as to avoid any unconscionable result."

"Parties should not lie or knowingly mislead each other about matters related to the performance of the contract". The Contractual Principle of Good Faith and the Duty of Honesty in *Bhasin v. Hrynew*, 2015 CanLII Docs 105

"Since 2014, Canadian contract law has recognized that commercial parties owe one another a duty of "honest contractual performance", as an element of the principle of good faith. According to the Supreme Court of Canada in its leading decision" *Bhasin v. Hrynew*, 2014 SCC 71,

The competency of the members of the "Legal Society of Canada" is under question. The members of the Legal Society are supposed to know the law and should have read "Title 2 of the British North American Act (No2) 1975, 23-24 Eliz. II, c. 53, (Can.)? If they did then there should have been a revision made to this document.

While reading this electronic document we found it to state, "For the purposes of this Act, the term "Province" in section 23 of the British North America Act, 1867 has the same meaning as is assigned to the term "province" by section 28 of the Interpretation Act". It is a fact that the term "province" is not found under section 28 of the Interpretation Act.

Source: <https://www.justice.gc.ca/eng/rp-pr/csj-sjc/constitution/lawreg-loireg/p1t301.html>

Section 28 of the Interpretation Act reads, "28 (1) If a form is prescribed under an enactment, deviations from it not affecting the substance or calculated to mislead, do not invalidate the form used. (2) Gender specific terms include both genders and include corporations".

Please clarify if we are comprehending this correctly as we do not find the term "province" in Section 28

Under the Law Society Act, R.S.O. 1990, c. L.8

Licensing

Section 28 Good character requirement

(2) It is a requirement for the issuance of every license under this Act that the applicant be of good character. 2006, c. 21, Sched. C, s. 23 (1).

How does the Legal Society define the term “good character”?

Whereas, now that we are aware that we have not been responsible in the reading of the documents we have endorsed with our signature and **not** been diligent in our actions as a result of poor guidance and poor education we now choose to do better and to teach our offspring to do better. Now that we know that we have been misguided in what jurisdiction we are in and now that we know we do not qualify for and do not require a “Driver’s License” we **will not** be renewing the “Driver’s License”. And now we require information as to how to surrender it and all other instruments illegitimately issued to us. We **do not** wish to contract with the “Crown Corporations” under a “Legal Person”; and,

Whereas, once we are knowing and know better, we shall do better and is why we are informing you of our desire and our inherent and innate right to experience life in alignment with the soul’s knowing and is why we have been diligently investigating over the last few years to figure out how to be free from these illegitimate claims and the fraudulent and corrupt contract(s) imposed upon us. It was disturbing to realize that we have been deliberately subjected to violence and used in overt and covert military experimentation that we never consented to; and,

Make it known that we now know that everything is prepaid and have full faith and credit in the members of congress to make known that all “bills” are set off and paid in full; and we have full faith and credit that we are insured for life, and make it known that no one has the right to deny another expression of source energy their truth; and,

Holy Church of Gaia Definitions:

"being born" the term "being born" refers to the natural delivery of a baby or the extraction via c-section of the baby from the uterus.

"hu" the word "hu" refers to light (to be knowledgeable) it is a love song to God/the cosmos/the Earth/Higher Self, singing 'hu' carries with it a specific vibrational harmonic resonance. It is meant to assist the speaker to experience divine love, ullu love, heal a broken heart and offer solace during times of grief as it brings peace and calm.

"When your day is hard, remember to sing "hu" as it will put the singer in line with the Holy Spirit"
harold Klemp

“human beings” we are not just “human beings” “we are human holy sacred and when balance harmonically we are in a safe place no other way only two paths to life and two paths to love .one book of the dead and that of “love n light” Source Divine Unconditional Love. All activities that put in resonance with the “book of the dead” and which separates us from our true essence highest level spiritual life and in alignment with the “freedom of Love”, free from tyranny. So, what is said to the letter seriously is that there is no charge in love. Love has no remorse; love does not condemn so those that know love do not need forgiveness. Those that are in the frequency of love are balanced and in harmonic resonance with the “higher self” they are in a “safe place” “free from fear, in the “holy sacred heart” with “inner child” in vibrational alignment with the “adult”, this realignment is the only true way. It is up to each unique energy signature to recognise when they are acting or reacting from their “wounded inner child” so that they can take the steps towards integration and in mind/heart coherence.

“human” refers to a man of light; a man knowledgeable and embody in the light of truth; a god/goddess; a human is holy sacred balanced in harmony and grace and is always in a safe place being consciously aware and attuned to the moment of now in the flow of “ullu love” is synonymous with “unconditional-love love love unconditional-love” [created by chief white buffalo (bison)]

a human has no remorse, where once the inner child felt separate and lost in darkness it is brought back into the sacred heart of its truth with all attachments to the painful story integrated releasing the body from pain and misery and in this expression, it realizes it is in a safe place in harmony and balance in the holy sacred heart.

“humanoid” refers to a man that has acquired an alter ego, the mind of a humanoid is programmed to separation consciousness therefore they are void of the remembrance of the oneness of all life, and is operating from the resonant disharmonic frequency of fear in all its expression (anger, resentment, shame, blame, guilt, resentment, jealousy, abandonment, etc.) whereby moving the unique energy signature and expression of source out of heart-mind coherence

A humanoid is spiritually bereft, and emotionally and mentally deranged, exhibiting narcissistic and/or psychopathic tendencies,

A humanoid lacks reasonability, and are void of conscience, ethics, and morality.

A humanoid is disempowered as they are driven by their addictions.

A “humanoid” can be a man like creature that operates from fear or has been created from fear and follows the path of the “Book of The Dead”, its actions are driven by fear as it has lost all the attributes that make it a human. These attributes are empathy, insight, compassion, and “love”

A “humanoid” can be an entity that “is following the path of death as it has lost its relationship with it’s source of life and seeks out the “human” as an energy source; all “humanoid” are out of vibrational harmonic resonance with its source of life; either by acquiring fear or being born of fear it has no concept of “love” and “is void of “ullu love” (the expressed physical vessel is not sensitised to feel the subtle harmonic resonance of “ullu “, unconditional-love, love, love, “unconditional love”:

The resonant frequencies of anger, resentment, shame, blame, guilt, jealousy, abandonment, etc. keep humanoids connected to the “Book of the Dead” as their spirit is resonating at these lower frequency states which separates them from their true essence and keeping them from attaining their highest level of spiritual life expression as “the freedom of love”. These people are keeping themselves from being written eternally in the “Book of Life”

"ie/I" is a compound word and is synonymous with and interchangeable with (we, us, our)
ie is a personal pronoun referring to the biological electromagnetic sentient being, mind, spirit, complex,
I for all intensive purposes shall refer to the eternal soul, source, infinite awareness, I am that I am.

The use of any one of these word(s) "ie/I, we, us, our" in this or any other document created by us is to include all aspects of this expression known as a human including yet not exclusively the "higher self" also known as "the inner being", the offspring of with all family members past, present, and future associated,

Note: The use of these word(s) "ie/I, we, us, our" does not refer to the "Legal Name" or "Legal Person" or anything that is not organic or aligned with the balance of the Natural World conjured up by the "Papacy"

"light of truth" this refers to a man encompassing the knowledge of creation as a result of direct experience, "the light of truth" this statement is not something that can be taught, it must be experienced

"man" the word "man" can be used to refer to a male (having a penis) and when healthy is able of being a father, it can also be used to refer to a female (having a womb) and when healthy is able of being a mother

"natural born" the term "natural born" refers to the process of insemination of an egg, fetal development in utero, followed with the process of being born from the womb (the uterus)

"people" the word "people" is specific to include natural men and women and their offspring

"Sacred Marriage" the term "Sacred Marriage" refers to a man and women coming together in "Holy Matrimony" as an act of being married to one another. They are gifting their bodies to each other, as they come together as one in spirit, each heart beating as one, committed to each one in "ullu love" with the promise to care for one another in harmlessness to self and harmlessness to the other.

"ullu love" the term "ullu love" is the acronym for "unconditional-love love love unconditional-love" being the expression of love without conditions. In this state the mind has full insight in the moment while in interaction with self and others, in this state of being the ego personality/mind is free of conditions, this refers to a mind free of misery as it has experienced the "unconditional love" of its source of expression, the physical body of those that are embodied as "ullu love" have released all attachment to the "intellectual mind" are thus free of pain and misery, in this detached state there is no longer resistance between the various aspects of the expression all expressions are in harmonic resonant frequency alignment.

"world" refers to 'man's existence and all expressions of existence here as life on earth

To all men and women involved,

December 2, 2020

Please comprehend the information written in this notice titled, " Notice Of infraction:Trespass:Charges:Freedom Of Information:Orders " and invoice with all seriousness. We are charging the border officers (public "servants") who proceeded to violate me and stole property from me including my wife on October 7, 2020, and we are also charging for the violations that were made against us by the same border officers, and who brought physical and mental harm to us.

The individuals working October 7, 2020 completely ignored a valid contract between a man (husband) and a woman (wife) having chosen to have a traditional marriage (one made in heaven) and had/have been travelling in our 24 foot travel trailer in the mid south of what is called, "the united states" staying in "core of engineers campgrounds" since our holy reunion on November 25, 2019 in spokane washington.

We were put through hell as a result of the spiritual bereftness and mental and emotional derangement of the individuals working that day. Especially my poor wife who sat on a cold steel bench for 22 hours straight, because my car was stolen from her on the Canadian Side of the border and she was threatened by the men dressed and acting as officers.

We demand you return my wife to me immediately by ensuring we have free passage to join her in our home in penticton. If my wife is returned to me immediately, We will agree to drop all charges. If she is not returned, then we will be placing Tort Liens against the Surety Bonds on all the (wo)men working as officers for the "crown corporation(s)" involved in this infraction and trespass who violated both me and my wife and my properties.

This is nothing personal, we deserve to have recourse. We want to be united with all my properties we were/was in use of including my wife (who is my property) and expect her to be returned to me without further injury to either me or her.

We order you to send us an email to daleshackelford@outlook.com and also call me and let me know that my good name has been cleared and we are free to join my wife in penticton in the event that you do not email me and do not call me so that we can be with my wife by 5 pm on saturday being December 6, 2020 make a cashiers check payable to :raymond-dale: shackelford and send it to my okanagan address shown below.

Under the freedom of information we require you to provide me with the name(s) and badge numbers of all (wo)men on shift of said date as well as their reports and list all phone conversations made on this day and to what Agency the specific individuals consulted regarding this infringement and trespass.

We require you to send this information via registered mail to our okanagan address:
