Dear, Marco E. L. Mendicino,

We are writing to request an Administrative Hearing with this Agency with the intention of clearing any and all misunderstandings regarding our being born onto earth and how we experience life; we are seeking an Administrative Hearing to correct the record and we are seeking reciprocity in the form of just compensation as per the invoices served to

the men and women subservient to and working for "The Crown"; and to restore that which has been stolen as a result of the violence deliberately inflicted upon us, and to end the assault upon man's genome and to end the assault upon the "Natural World" by those that are clinically insane; and, we are looking for a complete cure regarding the original trespass and subsequent assault(s) and contamination of the emotional body, the spirit, the mind, and the biological electromagnetic expression (the body of man) as a result of the deliberate intrusion upon our life experiences; and we are looking to expose and expunge all invalid "contract(s)" or "service agreements" imposed upon us, retroactively to the beginning and without loss of services; and,

We officially rescind all signatures on all "government forms" as these signatures were made without full-disclosure from a place of ignorance as a result of insufficient education; and,

It is also clear to us that the people working as "Law Enforcement" for the "Border Agencies" and for "Municipalities" as a result of poor education and insufficient training, are either unwittingly breaking the laws or willfully breaking the laws as they are written thereby causing loss, harm, and damage to the spirit and to actual property; and,

Whereas you **Marco E. L. Mendicino** are required to read the information published on our website designed to inform and educate the men and women in Law Enforcement to the "statutes", "charters", "codes", "ordinances", "bills", "acts", etc. and to inform them as to who they actually have jurisdiction over; and as a way to reduce waste and abuse and to preserve the earths resources we have published this information and memorandums of law in this article on our website (see Attachment #1 for the link) and you are required to type the link provided in Attachment #2 and read the information and go to the other notices served to various men and women working in and for the Agencies involved in this matter and you are required to print these documents off in preparation for the Administrative Hearing; and,

Whereas, we reiterate, we wish to find an amicable solution regarding how we are being treated; and what is being forced upon us as an experience and we have included the documents served to the men and women involved in the trespass so as to inform them of the crimes they have committed and which are being perpetrated against us; and,

Whereas you **Marco E. L. Mendicino** are required to read the Notices served to these men and women directly involved in the crimes against us and these Notices are published on our website as a way to reduce waste and abuse and to preserve the earths resources (see Attachment #2) this link along with a " Notice of Criminal Complaint; Criminal Negligence Causing Bodily Harm; Dereliction of Duty With Liability; With Intent To Sue; Freedom of Information Act in preparation for an Administrative Hearing directed to you and is included in this mailing; and which is going out to the "Public Servants" involved in the crimes against mankind and against life; and,

We are dispelling any and all presumptions and assumptions by the men and women working in this and other agencies of us being a "pauper", a "taxpayer" (people subservient to the "Crown" called, "employers" have hired us and trained us and who have tricked us into being a "taxpayer" reporting us as such to the Canada Revenue Agency after they had us complete the "terms of employment" contract); and,

Whereas there is no verifiable proof that we are a "citizen.", or a "citizen of", a "lieutenant of", a "resident of," an "inhabitant

of", a "franchise of," a "subject of," a "ward of," the "property of," the "chattel of", or "subject to the jurisdiction of" any army, any "monarch" or any corporate "commonwealth," "federal," "state," "territory," "county," "council," "city," "municipal body politic," or other "government" allegedly "created" under the "authority" of a "constitution" or other "enactment"; and,

Whereas we are not subject to any "legislation," department", or "agency" created by such "authorities," nor to the "jurisdiction" of any "employees", "officers", or "agents" deriving their "authority" therefrom. Nor do any of the "statutes", "codes", "regulations", "acts of parliament", or "regulations" of such "authorities" apply to us or have any "jurisdiction" over us, we are our own "authority", the author of our reality; and,

Whereas we the people born to earth are not "human capital", we are not "commercial instruments"; on May 31, 2021 we [Claimant\(s\)/Declarant\(s\) Libellant\(s\) #1 and #2](#) were approached by men in uniform who proceeded to arrest us without probable cause and with a warrant and without evidence of wrong doing; [Claimant\(s\)/Declarant\(s\) Libellant\(s\) #1](#) was given a "Forged Instrument" made out by Kay A Hickman a woman working as Fines Penalties Forfeiture Officer for US Immigration and Customs Enforcement for Homeland Security demanding payment; she has committed a number of crimes in the creation of this security which has been reported; and,

The government form called, "CBP Form 5955A (01/15) from DHS U.S. Customs and Border Protection" and dated May 31, 2021 indicates that these people working for "Border Protection Agencies" assume that we are a "Commercial Entity" according to the code that [Claimant/Declarant/Libellant #1](#) was charged with violating [19 USC 1459](#) and having written "business" beside his name (see Attachment #3); as you know a man cannot be a business and the "Agents" can only do business with a business; and,

Be advised that there is no "oath of office" or "contract" on the record of [Claimant/Declarant/Libellant #1](#) being a "citizen" of United States Of America Corp. On October 7, 2020 [Claimant/Declarant/Libellant #1](#) was given an invalid form by a man acting as a Port Official for the Corporation called "Canada" (see Attachment #4); and there is no "oath of office" on the record) or contract on the record of [Claimant/Declarant/Libellant #2](#) being a "citizen" of "Canada"; so how can [Claimant\(s\)/Declarant\(s\) Libellant\(s\)](#) possibly be an "Individual" as stated in [19 USC 1459](#)?

Neither one of us are an "Individual" as defined in [5 U.S. Code § 552a](#) and as such are not "human capital" as described in [5 CFR § 250.203](#) - Strategic human capital management systems and standards. Strategic human capital management systems, standards, and focus areas are defined within the Human Capital Framework (HCF). The four systems described below provide definitions and standards for human capital planning, implementation, and evaluation. The HCF systems and standards are:

(a) Strategic planning and alignment. A system that ensures agency human capital programs are aligned with agency mission, goals, and objectives through analysis, planning, investment, and measurement. The standards for the strategic planning and alignment system require an agency to ensure their human capital management strategies, plans, and practices - "

Nor are we a homosapian as defined in [1 USC 8](#) defines human as "a member of the species homosapian, which is further defined by it's inventor as "a primate animal"; a truly "primitive animal" and a "humanoid" is an entity that does not have the

wherewithal (the emotional, spiritual, or mental capacity) to create technology in harmony with the natural world thereby deliberately destroying it's environment; and,

Claimant(s)/Declarant(s)Libellant(s) #1 and #2 are a man and a women, and since all men are created equal neither of us nor our offspring or our fellow man need to own any labels that might be attempted to be put upon us by anyone outside of the self, and neither of us intend to do anybody any harm, and definitely do not want anyone bringing any harm to us, or to our offspring (separately or jointly) either physically, mentally, emotionally, spiritually; or financially and we should be reaping the benefits of the fruits of our labors; and we require you to inform us during the Administrative Hearing as to how the men and women working in government are beneficial to our experience of life; and,

We just want to be free to live our life together as we choose, as all people should be able to without worry of being lied to, attacked, kidnapped, stolen from, extorted from, or coerced into performing an activity that we have no desire of doing, or that may bring us harm causing damage to our spirit, our emotional body, our psyche, our mind, or to the electromagnetic biological systems of our physical body; and,

Claimant/Declarant/Libellant(s) #1 told Maddox that he have rods and pins in his back, and stated that he was having trouble getting into the truck, as a result of the injuries sustained while being held in a United States Prison under false pretenses and against his will, to which Maddox replied (he has it on video recording) "You find a way to get in there or I will put you in there"; and,

Claimant/Declarant/Libellant(s) #1 was assaulted and falsely handcuffed by a man working as an Agent/Officer for this Agency as a Border Patrol Agent on May 31, 2021, Claimant(s)/Declarant(s)Libellant(s) #1 and #2 were enjoying lunch after 8 months of forced separation; and by the way no one has the right to forcibly separate us; in other words, we have grown very tired of the illegal and unlawful separation from each other and are tired of the harassment by men and women acting as Border Patrol Agents and Policy Enforcers for the World Wide Private Organization known as, "The Legal Society"; and,

We have included a link to the documents already served to varies men and women, "players", in this horrific trespass upon us being located on both sides of the US/Canada Border; this "border" has been illegally constructed to enforce Admiralty/ Maritime Law under the Uniform Commercial Code, to illegally create taxable event for private men and women, and to control the flow of currency; and, it is clear that the "businesses" created on both sides of the border are managed by the same humanoids; and,

These documents clearly show what our intentions are to bring reciprocity in the form of just compensation, and to restore that which has been stolen as a result of the violence deliberately inflicted upon us, and to end the assault upon man's genome and upon the "Natural World" by those that are clinically insane, and to find an amicable solution to this situation forthwith; and,

We the Claimant(s)/Declarant(s)Libellant(s) #1 & #2 do declare and affirm that we are competent in this matter coming forward with conscious intent for an amicable resolution so as to find a complete cure for the conundrum "We The People" are facing. The facts set forth herein, are true, correct, and not misleading. The information presented is meant to bring clarity

and not to be construed as being demeaning, threatening, alarming, harassing, annoying, or fraudulent. The facts presented are admissible as evidence and are in accordance with our first-hand knowledge, comprehension, and not based in hearsay, theory, indoctrination, or belief; and

Furthermore as pursuant to [28 U.S. Code § 1746](#) – Unsworn declarations under “penalty of perjury” we the Claimant(s)/Declarant(s)Libellant(s) #1 & 2 declare and verify under “penalty of perjury” under the so-called “laws” of Canada and the so-called, “Laws” of the United States of America and by Natural Law that the foregoing is true and correct. Executed on this the 13th day of the seventh month July in the imposed Gregorian Earth Year of 2021
